**ST. Kizito Parish Report on the donations and items distributed to the most vulnerable communities in Sesheke (Kalisowe Community in Sesheke)**

- *A leprosy patient who benefited from the donations*

This report will mainly focus on the following;

1. **Parish Profile**
2. **Project –Kalisowe**
3. **Finance report**
4. **Appreciation**
5. **Requests and recommendations**

1. **Parish Profile:**

ST. Kizito parish is situated in Sesheke district, 200km from the Catholic Diocese of Livingstone Headquarters in Livingstone, located in the Western part of the country and shares the boundary with Namibia. The Parish has an approximately a population of about 1,200 Catholics and it has 12 small Christian Communities and being serviced by the 2 Priests namely **Rev. Fr. Jeffrey Tembo** who is the Parish Priest and the diocesan Vicar General, an assistant Parish Priest is **Rev. Fr. Albert Shiman Kakoma**. The parish being rural has high levels of poverty with the majority being women and the youth who are unemployed. The parish has a number of lay organizations and among these the following; **Youth, Catholic Women Organization, Nazareth women, ST. Anna, Legion of Mary, Charismatic Renewal Movement, alter boys, flower girls, the choir and ST. Vincent De Paul Society.**

2. **Project Kalisowe:**

The name Kalisowe is a Lozi word meaning rejected, it is an area where for along time the place has been hosting the Leprosy patients, UN fortunately the place has continued being isolated hence the high poverty levels. When the parish received the donation from that side the first place that came up was assisting the people in the area going by the sufferings and the challenges the people face. The Parish Priest engaged the Society of ST. Vincent De Paul in the parish who carried out the distributions to the most need in the area. The following were the items purchased and distributed;

- ***Ms. Makole Sililo 65 years old, woman has been living with Leprosy condition for over a period of 20 years...holding some of the donated items( blanket, cooking oil and salt)( Picture by Peter Phiri)***

- ***Rev. Fr. Tembo (centre), Ms. Mate Situmbayeto, 81years with Ms. Penelope Kapanda (right) who represented the Bart family during the donations.( Picture by Peter Phiri)***

The old woman stays in a village called Simawewe and has no one taking care of her, she depends on the church, and she walks a distance of 4km every Sunday to attend Mass at ST. Kizito Parish which is her nearest parish. It takes her close to half a day to walk; she is however very committed to the church.
